The board is trying to determine the entrance points to the village, and where possibly smaller gateways would occur as you lead into the village. We will be planning to host the community meeting/design charrette at the end of January. A confirmation will be made on that soon and advertising will begin. The SE Group plans to have a few different scenarios available for people to look at, as well as offer their own ideas.

The next Planning Commission meeting will be January 17th, 2016.
